RULEMAKING DISCUSSION: ASSESSING CIVIL LIABILITIES

Tuesday, July 14 2015 1:00 p.m. – 4:00 p.m.
Coastal Hearing Room Cal/EPA Headquarters Building
1001 I Street, Sacramento

The purpose of this workshop is to present and discuss proposed regulations to implement a civil liability component to the covered electronic waste (CEW) recycling payment system. As authorized by Public Resources Code (PRC) section 42474(d), CalRecycle may administratively impose civil liabilities (penalties) on a person “... *that makes a false statement or representation in any document filed, submitted, maintained or used for purposes of compliance...*” with the Electronic Waste Recycling Act and associated regulations, including those related to the CEW program. Brief updates on few other aspects of the CEW program will be provided as part of introductory remarks.

The format for the workshop will feature CalRecycle staff providing an overview of the developing civil liability facet to the CEW program, with a focus on the rationale, research conducted and key concepts addressed. This will be followed by a detailed presentation of the proposed draft regulatory language. The workshop will allow stakeholders to comment and discuss the proposals.
